

The following is a selection of wines recommended for larger groups dining at Nautilus. These wines have fixed pricing until April 2012 and in some cases have had discounts applied over the normal full wine list pricing. For this reason the prices indicated are available only to groups with 20 guests or more that pre-select their wines greater than 2 weeks prior to the function date.

These wines are readily available in larger quantities and have been selected to generally suit the tastes of a wide range of people. If you have any questions regarding food matching I am happy to provide some advice. Similarly if the style you are specifically seeking is not represented here, I am more than happy to assist you with a choice from our full wine list, dependant on availability.
